

ScotRail Alternative Routes during disruption: Between Glasgow and Neilston / Newton / Cathcart / Motherwell / Lanark

Glasgow Central - Newton via Maxwell Park
(Maxwell Park station is 10mins walk from Crossmyloof for connections with Kilmarnock / East Kilbride services)

Glasgow Central - Newton via Rutherglen
(customers for Kirkhill can use local transport or it is a 15min walk between Cambuslang and Kirkhill)

Glasgow Central - Newton via Queens Park

Glasgow Central loop (Cathcart Circle) services:
During 'Cathcart Circle' disruptions, customers should use other available services to/from Newton or Neilston. Customers at Cathcart may find connections easier using Kings Park station (15mins walk between stations)

Glasgow Central - Neilston
During disruption on this line, transport may be provided to / from Barrhead to connect with trains between Glasgow and Kilmarnock

Glasgow Central - Motherwell / Lanark:
If line via Uddingston is blocked, trains divert via Hamilton.
If line via Hamilton is blocked, trains divert via Uddingston.
Trains may also divert between Uddingston / Motherwell and Lanark via Shieldmuir, and not call at Bellshill, Holytown or Wishaw.
(An alternative route is also available between Glasgow Central and Motherwell via Whifflet (requires a change at Whifflet)).
